### THREE CUPS OF TEA...

...Is the nationally acclaimed book which describes the efforts to give young girls in rural Pakistan and Afghanistan an education. Theory says that women teach the community's young generations. The groups supporting this cause feel that if girls are educated, then the rest of the community will grow and prosper, which in turn will send American troops home. Pennies for Peace is one of those groups.

### ...WHAT IS PENNIES FOR PEACE?

A Non-Profit Organization by Greg Mortenson. Greg uses his extensive knowledge on Central Asia to educate others how to use books, not bombs, and to successfully bring education and hope to remote communities.

Pennies for Peace helps educate and greatly influence the world on how social and economic change is brought about when girls have the opportunity to participate in their society can greatly influence a community.
